

AKS Lytham

Nursery and Prep School Uniform

Introduction

A high standard of appearance is expected at all times; clothes should be clean and tidy and shoes should be polished. School uniform must be worn correctly - shirts and blouses tucked in, collar buttons fastened, ties worn to the waist and tied with a sensible knot, skirts the correct length, and so on.

Apart from a watch, pupils should not wear any other accessories or jewellery. Hair should be natural (uncoloured) and of sensible length, not obstructing the eyes and off the collar. Girls with long hair should have it tied back with plain black or burgundy accessories.

The school uniform can be purchased from the School Shop. All items of school uniform must be named. Full school uniform must be worn when travelling to and from both school and games fixtures. The school tracksuit may be worn as an alternative, if authorised.
